

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ELIGIBLE COUNTERPARTIES ONLY TARGET MARKET – Solely for the purposes of the product governance rules under Directive 2014/65/EU of the European Parliament and of the Council of 15th May, 2014 on markets in financial instruments and implementing legislation (as amended, “**MiFID II**”) and each manufacturers’ product approval process, the target market assessment on the date of this Final Terms in respect of the Instruments has led to the conclusion that: (i) the target market is as follows: eligible counterparties and professional clients only, each as defined in MiFID II and (ii) all channels for distribution of the Instruments to eligible counterparties and professional clients are appropriate, including investment advice, portfolio management, non-advised sales and pure execution services. Any person subsequently offering, selling or recommending the Instruments (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Instruments (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels, subject to the distributors’ suitability and appropriateness obligations under MiFID II, as applicable.
